To know when George Stephenson lived and be able to draw comparisons with the timeline of their own life.

To learn about George Stephenson's achievements.

PSHE

Taking care of a baby

Then and now

Who can help? (2)

Surprises and secrets

Keeping privates private

Healthy me

Geography

During this unit, we will build on our prior knowledge of weather, climate and seasons.
We will learn about different types of weather and how they are recorded.

We will also record weather in our environment and present the data.

We will learn about extreme weather conditions both at the poles and the equator.

We'll learn about dangerous weather conditions in the UK and how climate change is impacting our weather.

We will build on our community work from the previous and present their ideas on how to help reduce climate change.

Computing

Programming animation

Comparing tools,
Joining blocks,
Make a change,
Adding sprites,
Project Design,
Following my own design.

"Let all that you do be done with love." 1 Corinthians 16:14
