Making smoothies!  
To make healthy eating choices and understand a balanced diet.

## RE Why does Easter matter to Christians?

To recognise that incarnation and salvation are part of the Christian story.  
To tell stories to Holy Week and Easter.  
To recognise that Jesus gives us instructions on how to behave.  
To know how Good Friday is important for Christians.  
To know that Christians believe Jesus rose again giving people hope.

## Welcome back!

Hope you have all had a fantastic half-term holiday.

## Reminders

Children are to come to school wearing their PE kits on Monday and Tuesday.

## Homework

Please read regularly in the week with your child.  
Homework will be handed out each Friday and is to be handed in the following Wednesday.

## Class 1 Curriculum Overview Spring 2 2025

### Science – Habitats

1. To identify/classify living and non-living things.
2. To understand what a habitat is and why this is important to wildlife.
- 3 and 4. To identify different living things and their habitats. (Land, underground and in water)
5. To understand why and how scientists track animals, including birds.
6. Field study: To observe and record in a local micro-habitat
7. To present observations and draw conclusions.
8. To understand and create simple food chains.
9. To understand how habitats can be damaged and therefore protected.
10. Field study: To revisit a local micro-habitat, make and record observations.
11. Compare the local or micro-habitat. Record observations and draw conclusions.
