Homework

Please read regularly in the week with your child and continue to practice the word wall.

On the Farm

Explore the different areas of the farm in the story. For example, the farmhouse, barn, fields, meadows and chicken coop. Children can then create their own maps of the farm.

Set up an area for growing 'crops'. Children can tend and care for their piece of land, like Farmer Duck, to grow a range of vegetables. Encourage children to talk about what they see, hear and feel.
