1. Aims

Our schools aim to:

- Have robust, clear processes in place for charging and remissions
- Clearly set out the types of activity that can be charged for and when charges will be made

2. Legislation and guidance

This policy is based on advice from the Department for Education (DfE) on [charging for school activities](#) and [the Education Act 1996](#), sections 449-462 of which set out the law on charging for school activities in England. Academies are required to comply with this Act through their funding agreements. This policy complies with our funding agreement and articles of association.

3. Definitions

- **Charge:** a fee payable for specifically defined activities
- **Remission:** the cancellation of a charge which would normally be payable

4. Roles and responsibilities

4.1 The Cluster Governing Committee (CGC)

The governing committee has overall responsibility for approving the charging and remissions policy, but can delegate this to a committee, an individual governor or the Executive Headteacher.

The CGC of each school has overall responsibility for monitoring the implementation of this policy; they may delegate this to the Finance Advocates.

4.2 Senior Leadership Team

The Executive Headteacher is responsible for ensuring staff are familiar with the charging and remissions policy, and that it is being applied consistently.

4.3 Staff

Staff are responsible for:

- Implementing the charging and remissions policy consistently
- Notifying the Executive Headteacher of any specific circumstances which they are unsure about or where they are not certain if the policy applies.

The school will provide staff with appropriate training in relation to this policy and its implementation.

4.4 Parents

Parents are expected to notify staff or the Cluster Operations Lead of any concerns or queries regarding the charging and remissions policy.

5. Where charges cannot be made

Below we set out what we **cannot** charge for:

5.1 Education

- Admission applications
- Education provided during school hours (including the supply of any materials, books, instruments or other equipment)
- Education provided outside school hours if it is part of:
 - The national curriculum
 - A syllabus for a prescribed public examination that the pupil is being prepared for at the school (not applicable in our schools currently)
 - Religious education
- Instrumental or vocal tuition, for pupils learning individually or in groups, unless the tuition is provided at the request of the pupil's parent
- Entry for a prescribed public examination if the pupil has been prepared for it at the school (not applicable in our schools currently)
- Examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school (not applicable in our schools currently).

5.2 Transport

- Transporting registered pupils to or from the school premises, where the local authority has a statutory obligation to provide transport

- Transporting registered pupils to other premises where the local governing body or local authority has arranged for pupils to be educated
- Transport that enables a pupil to meet an examination requirement when he or she has been prepared for that examination at the school (not applicable in our schools currently)
- Transport provided in connection with an educational visit

5.3 Residential visits

- Education provided on any visit that takes place during school hours
- Education provided on any visit that takes place outside school hours if it is part of:
 - The national curriculum
 - A syllabus for a prescribed public examination that the pupil is being prepared for at the school (not applicable in our schools currently)
 - Religious education
 - Supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential visit

6. Where charges can be made

Below we set out what we **can** charge for:

6.1 Education

- Any materials, books, instruments or equipment, where the child's parent wishes him or her to own them
- Optional extras (see below)
- Music and vocal tuition, in limited circumstances
- Certain early years provision
- Community facilities

6.2 Optional extras

We are able to charge for activities known as 'optional extras'. In these cases, schools can charge for providing materials, books, instruments or equipment. The following are optional extras:

- Education provided outside of school time that is not part of:
 - The national curriculum
 - A syllabus for a prescribed public examination that the pupil is being prepared for at the school (not applicable in our schools currently)
 - Religious education
- Examination entry fee(s) if the registered pupil has not been prepared for the examination(s) at the school (not applicable in our schools currently)

- Transport (other than transport that is required to take the pupil to school or to other premises where the local authority or governing board has arranged for the pupil to be provided with education)
- Board and lodging for a pupil on a residential visit
- Entry fees and transport for swimming
- Extended day services offered to pupils (such as breakfast clubs, after-school clubs, tea and supervised homework sessions)
- Damaged or lost items. The school may charge parents for the cost of replacing items broken, damaged or lost due to their child's behaviour. Parents will not be taken to court for failure to pay such costs.

When calculating the cost of optional extras, an amount may be included in relation to:

- Any materials, books, instruments or equipment provided in connection with the optional extra
- The cost of buildings and accommodation
- Non-teaching staff
- Teaching staff engaged under contracts for services purely to provide an optional extra (including supply teachers engaged specifically to provide the optional extra)
- The cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra

Out of school clubs and activities

- The school offers a range of out-of-school clubs and reserves the right to charge for such sessions to cover the cost of materials. Lunchtime Clubs run by teachers or volunteers are offered free of charge.
- For the academic year 23/24, we will continue to offer before school sports sessions free of charge and one free after school sports club from 3.15-4.15pm on Thursdays. These sessions are paid for by the Sports premium we receive from the government. Full details available via the school office or [website](#).
- On occasion, private companies/providers run clubs by prior agreement with the Senior Leadership Team. These providers make charges direct to parents and school has no involvement with these payments other than make our families aware that there will be a fee for their child's attendance at the club.

Any charge made in respect of individual pupils will not be greater than the actual cost of providing the optional extra activity, divided equally by the number of pupils participating.

Any charge will not include an element of subsidy for any other pupils who wish to take part in the activity but whose parents are unwilling or unable to pay the full charge.

In cases where a small proportion of the activity takes place during school hours, the charge cannot include the cost of alternative provision for those pupils who do not wish to participate.

Parental agreement is necessary for the provision of an optional extra which is to be charged for.

6.3 Music tuition

Schools can charge for vocal or instrumental tuition provided either individually or to groups of pupils, provided that the tuition is provided at the request of the pupil's parent.

Charges may not exceed the cost of the provision, including the cost of the staff giving the tuition.

Charges cannot be made:

- If the teaching is an essential part of the national curriculum
- If the teaching is provided under the first access to the Key Stage 2 instrumental and vocal tuition programme
- For a pupil who is looked after by a local authority

In our school, music tuition that is requested by parents is not managed by the school, i.e. this is a private financial arrangement between the peripatetic music teacher and parent and so school should not be requested to become involved. School will facilitate the lessons and ensure full compliance with Child Protection, Safeguarding and recruitment and other relevant policies are adhered to.

6.4 Residential visits

We can charge for board and lodging on residential visits, but the charge must not exceed the actual cost.

6.5 Damage to School Property

The school reserves the right to charge for the cost of replacement or repair of school books, materials, equipment or fittings which are lost, broken, damaged or defaced by a pupil. In such cases individual costs are discussed with parents/carers and any charge made will depend on the item that has been damaged and costs to replace it.

7. Voluntary contributions

As an exception to the requirements set out in section 5 of this policy, the school is able to ask for voluntary contributions from parents to fund activities during school hours which would not otherwise be possible.

Some activities for which the school may ask parents for voluntary contributions include, for example, school trips and sporting events.

There is no obligation for parents to make any contribution, and no child will be excluded from an activity if their parents are unwilling or unable to pay. However, if the school is unable to raise enough funds for an activity or visit then it will be cancelled.

Parents/Carers will be given reasonable advanced notice of proposed visits/activities and school will provide details of how each individual voluntary contribution amount has been determined. Staged payments may be arranged where contributions are significant.

8. Activities we charge for

The school will charge for the following activities:

All child care provision outside of school hours specifically,

- After School Penguins CReW Club

The current fees for the After school Club Includes:

3.15 – 4.15pm = £4.50 which includes a healthy snack and drink

3.15 – 5.15pm = £9.00 (£10.50 for a light tea)

Payment details will be available on the booking forms.

The price per session is per child. This is payable for all booked sessions including when your child is absent. We do not open/charge for bank holidays and professional training days. All sessions must be booked and paid for on line in full before your child attends, including if your child is then absent. For this academic year, we are able to support our families with more than two children attending Penguins Crew Club by offering a free place to a third or fourth child within the same family.

9. Remissions

In some circumstances, the school may not charge for items or activities set out in sections 6 and 8 of this policy. This will be at the discretion of the Executive Headteacher and will depend on the activity in question.

9.1 Remissions for residential visits

Parents who can prove they are in receipt of any of the following benefits may be entitled to some funding towards the cost of a residential visit, although optional extras may be included and an agreed payment systems would be put in place:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided that Working Tax Credit is not also received and the family's annual gross income does not exceed £16,190)
- Working Tax Credit run-on (this is paid for 4 weeks after an individual stops qualifying for Working Tax Credit)
- Universal Credit (if the application was made on or after 1 April 2018, the family's income must be less than £7,400 per year – after tax and not including any benefits)

9.2 Pupil Premium Remissions

The Pupil Premium (introduced in 2011) is an additional pot of money allocated to schools for children from low-income families who are currently known to be eligible for Free School Meals in both mainstream and non-mainstream settings, children who were previously eligible for Free School Meals within the last 6 years, and children who have been looked after continuously for more than six months.

- Parents/carers of children entitled to the Pupil Premium may be offered subsidy towards some requests for voluntary contributions for educational trips and swimming, depending on the

allocation of funds available as set by the school and Trust to support the educational needs of the children. This will be applied equitably* and will be at the discretion of the Executive Headteacher. The school will automatically adjust the costs via Arbor so there will be no need to apply for this.

- Children entitled to the Pupil Premium are offered free milk on a daily basis. Parents should complete the relevant form to apply for this, which is available through the school office.

* Our school allocates the expenditure of the pupil premium fairly and consistently to each pupil in receipt of it and in accordance with how staff believe it will benefit each individual within the statutory guidelines. As such, requests from parents/carers for financial support from the pupil premium grant for their child is not possible as all money has been assigned.

We recognise that some families may face financial hardship so when a parent/carer approaches the school for assistance every effort will be made to help if we can. Any financial support given will be confidential between the Executive Headteacher, Cluster Operations Lead and the family concerned. At no point will a child be identified to other adults or pupils as receiving any kind of financial assistance.

Data will be processed to be in line with the requirements and protections set out in the UK General Data Protection Regulation.

The Cluster Operations Lead will keep you updated of any changes should they arise.

10. Monitoring arrangements

The Executive Headteacher monitors charges and remissions, ensuring they comply with this policy.

This policy will be reviewed every year by the Senior Leadership Team and Cluster Operations Lead.

At every review, the policy will be approved by the Cluster Governing Committee in consultation with the Trust's Chief Finance Officer.

A Scott
