Homework

Due Thursdays

DT

Fairground Rides

Pupils will investigate a range of rotating fairground rides before designing and building their own.

Science

Circulatory System

Pupils learn about the various components that make up the circulatory system and how they function. They then learn about the benefits of maintaining a healthy lifestyle.

History

British Empire

Pupils will learn about the history of the British Empire and the long term impact it had on many different parts of the world.

Geography

Leicestershire Trade Over Time

Pupils will learn about how Leicestershire has developed over time in terms of its trade and population. They will also look at how Leicestershire is connecting to the East Midlands, the UK and the wider world.
