

Croxtton Kerrial C of E Primary School

Primary School P.E. and Sports Funding Expenditure

2023-2024 (16,580)

Sports Premium is a specific allocation of funds, additional to main school funding which the government believes is the best way to improve provision of physical education and sport in schools.

Vision: All pupils leaving primary school physically literate and the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

Objectives:

- 1) To provide high-quality PE and sport in Primary School.
- 2) To inspire pupils and create future sporting pathways.
- 3) Ensure children have knowledge, skills and motivation to lead a healthy lifestyle.

Key outcome indicators:

- 1) The engagement of all pupils in regular physical activity.
- 2) Broad experience of a range of sports and activities offered to all pupils.
- 3) Increased participation in competitive sport.

Below are the details of our Sports and P.E. funding allocated for 2023-2024, how it will be spent and how the impact will be measured on the children and staff at our school:

Sports Funding for 23/24 is £16,580.

Funding Allocated	Spending Details	How the Impact will be measured	Intended Impact
£6980.00 Specialist funding	Specialist Teachers employed to enrich PE/sports	Feedback from staff / pupils Governor visits Competition results Out-of-school club take up of sports Assessments / reports	*Effective feedback and advice to staff *100% of children are involved and focussed during the PE sessions *Activities are well matched to pupil abilities to engage both boys and girls *Learning behaviour is excellent in all sessions

Total £16,580

Monitoring and Evaluation

The impact of the provision will be reviewed on a regular basis and any adjustments required will be made and updated.

2022-2023

Croxton Kerrial received £16480 of Sports Premium funding for the financial year 2022-23. The sports premium was spent in a number of different ways to support the provision of improved quality of sports and PE for all Children.

How we spent the funding:

Activities select	Cost
Specialist sports teachers including coaching in before and after school clubs	£ 9865
Sports apprentice	£ 403.94
Forest School provision	£900
Transport for sporting events	£150
Cricket and countryside day	£144
Get set4PE subscription	£330
	TOTAL investment in high quality sports provision £11792.94

Impact

The engagement of all pupils in regular physical activity- The school employed a Sports/PE LSA. This has led to additional support in PE sessions. The LSA has also supported a Sports crew at lunchtimes and children have been encouraged to develop football skills and team-work. Older children have encouraged younger children to take part in physical activities and games which has had an impact on social and emotional development.

The school employed two sports coaches throughout the year. This has enabled specialist support in PE sessions and professional development opportunities for staff. This has encouraged children to take part in sports as a team and as individuals and to realise the benefits to their physical and mental health. The children are from a rural background and this offer has enabled all children to have an opportunity for high level coaching. We identified children who needed support and we focussed on their well-being.

Broad experience of a range of sports and activities offered to all pupils- The school provided a before school sports club for all children. This enabled all children including disadvantaged children to access a range of sport coaching and to develop social and emotional skills. We employed a sports provider for an after-school club in order to encourage children to take part in a more diverse range of sports. Before and after school sports clubs were offered to all key stages from EYFS to year 6. These proved very popular with many children requesting to attend. We encouraged disadvantaged children to attend.

Increased participation in competitive sport- The affiliation with a cluster of schools has enabled children to access a number of sporting events organised by the group this year. This has provided opportunities to develop social skills and teamwork. Children have been commended for their enthusiasm, team work and determination.

Sporting Competitions 2022/23

Sports day – Whole School

School Christmas Play – all classes performed dances as part of the performance

Enrichment opportunities

Belvoir CC Trust Cricket and countryside day

Before school sports club

Forest school sessions

Swimming

Children across all year groups had weekly swimming lessons during the Autumn term. Two teachers plus learning support assistants and family members help with supervision to the Leisure Centre in Melton Mowbray, where there are two pools for all abilities.

The children are taught by fully qualified swimming instructors. Children work towards specific targets. Competent swimmers are taught aspects of personal survival, whilst new swimmers are sensitively encouraged to feel safe in the water before learning correct strokes and water skills.

Meeting national curriculum requirements for swimming and water safety	2022-2023
Number of Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres	8/13
Number of Year 6 cohort who can use a range of strokes effectively (for example, front crawl, backstroke and breaststroke)	8/13
Number of Year 6 cohort who can perform safe self-rescue in different water-based situations?	8/13
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements, but we haven't used it in this way to date.
